Jackie's story

Jacqueline Jones, or Jackie (eikcaj), was born and raised in Detroit, Michigan. Although she and her eight siblings grew up extremely poor, they had a loving mother and father. Jackie's dad worked hard to put food on the table while her mother stayed home and raised their children. After graduating from high school, Jackie pursued higher education and eventually obtained a graduate degree while working full time.

In 1997, she was diagnosed with many health issues and most recently diabetes in 2012. This resulted in hair loss, extremely dry skin, and arthritis. Jackie tried using prescription and OTC medications to address these symptoms. However, these medications caused side effects and rarely produced any substantial results. Out of necessity, she decided to find solutions to her health challenges by experimenting with organic shea butters, essential and natural oils. The results that she achieved were outstanding. Her hair began to grow back and the moisture in her skin was restored without any harmful side effects. Jackie soon realized that she could help others without using harmful chemicals. To accomplish this, she created "Crystal Eikcaj™ Skin and Hair Care, LLC, (CESCH). Today Crystal Eikcaj™ enjoys customers of all ages, genders, ethnicities, and socio-economic backgrounds.

Organic Hair Grow Cream and Conditioner

Organic Hair Conditioner Cream

Ingredients: Shea Butter, Olive Oil, Wheat Germ Oil, Carrot Seed Oil, Peppermint Oil and Tea Tree Oil

For: Will help with conditioning the hair..

Usage:

Shampoo hair and towel dry. Apply conditioner cream generously to hair and scalp. Comb it through the ends of the hair.

Leave in for 10-15 minutes. Rinse and style. The conditioner can also be used as a hot oil treatment. Remove a very small amount from the container and place it in a microwave safe container and heat on high for 30 seconds. Apply to the hair and cover with a plastic cap. Can be used as a leave-in conditioner. Blow dry hair and style.

Store in a cool place. Product made in America.

8 OZ. - \$20.00

Gold Bio-collagen Facial Mask

Gold Bio-collagen Facial Mask

Ingredients: Gold Extract, Collagen, Hyaluronic acid, Glycerin, Vitamin C, Vitamin E, Grape Seed Extract, Rose Extract and Deionized Water.

For: Effectively penetrate deep into skin, makes skin brighter, clean, tender, firm and smooth, anti-wrinkle, repair damaged and injured skin, and delay aging.

Usage: Cleanse and thoroughly dry your face. After opening the foil package, peel off the plastic liner for the best result. Use the facial mask immediately after opening the foil package.

Apply the facial mask shown. Smooth the mask gently to ensure good contact with the skin. Wear the facial mask for about 25-30 minutes or wear the facial mask while you sleep. Do not keep on more than 12 hours. Remove the facial mask gently. Do not reuse mask.

Use it 2-3 times a week or as needed.

Store in a cool place. Product made in China.

7 per box - \$34.00

Foot Exfoliation Peeling Mask

Foot Exfoliation Peeling Mask

Ingredients: Water, Alcohol, Glycerol, Lactic Acid, Malic Acid, Sorbitol, Butylene, Glycol, Papain, Aloe Vera Extract, Citric Acid, Salicylic Acid and so on.

For: Peeling away dead skin without harsh scraping or scrubbing.

Usage: Clean and dry feet. Remove the inside packets from the foot mask and pour into each sock. Put your foot into the socks and seal.

Wear the mask for 60 minutes to make the essence in the liquid to be absorbed into the skin. Remove the mask and wash feet gently with soap. Dead skin will start peeling between 1 – 3 days after initial application. For better peeling performance, keep feet in warm water 10 minutes each day. Allow dead skin to peel off naturally. Do not forcibly remove the dead skin because it may cause damage to the skin.

The effect varies from individual to individual due to skin type and condition. For hard and thick callus, please use the second foot mask application one week later and finally your feet will become soft and smooth just like babies feet.

Store in a cool place. Product made in China.
